This program has been assigned the following Universal Activity Numbers, 0691-0000-26-200-L04-P to 0691-0000-26-209-L01-P and has been accredited for a total of 17.0 contact hours (1.70 CEUs). Individuals may earn up to 17.0 contact hours. Attendees must register for the Conference, sign-in when required, actively participate throughout each activity, and complete and sign the Attendance Form (with an NABP eProfile Number and birth date) to receive credit. Participant's earned credits will be posted to the CPE Monitor Website 4 to 6 weeks after receipt of all Convention paperwork. All requests for Continuing Pharmacy Education Credits must be turned in by November 30, 2026.

Who Should Attend

Pharmacists, Pharmaceutical Scientists, Clinicians, Clinical Scientists, and all individuals interested in learning about the relationship between the USA and Nigeria in the pharmaceutical industry and pharmacy practice.

Disclaimer

Information in this brochure is correct at the time of printing. Should any alterations to the program or schedule be necessary, corrections will be made in the materials distributed onsite.

Registration Fees

Registration includes admission to all continuing pharmacy education programs, exhibition, and meals.

Conference Registration Categories	Registration Fee
NAPPSA Member — Full Conference (4-Day Conference + Gala Banquet)	\$475
NAPPSA Non-Member — Full Conference (4-Day Conference + Gala Banquet)	\$575
One Day Meeting Registration – Member (1-Day Conference + Gala Banquet)	\$275
One Day Meeting Registration – Non-Member (1-Day Conference + Gala Banquet)	\$300
Student Member — Full Conference (4-Day Conference + Gala Banquet)	\$250
Student Non-Member — Full Conference (4-Day Conference + Gala Banquet)	\$300
Banquet Gala — Add-On Pass (Spouses and Non-registered)	\$150

Refund Policy

NAPPSA will refund all registration fees minus a \$75 processing fee if cancelled in writing 15 days prior to the conference commencement (September 2, 2026). There will be NO refunds after this date.

LEARNING OBJECTIVES

THURSDAY, SEPTEMBER 17, 2026

12:45 pm – 3:00 pm Session #100A: Bridging Pharmacy Education and Practice Innovation through Collaboration (Part 1). Universal Activity Number: 0691-0000-26-200-L04-P (0.20 CEUs) Application-Based Activity.

Venue: Aurora I / II

- Critically assess the gaps between pharmacy education and contemporary practice in Nigeria within a global healthcare context.
- Evaluate the contribution of diaspora and institutional collaborations in advancing pharmacy education and innovation.
- Propose practical strategies for integrating collaborative models and digital health tools into pharmacy training systems.

[Additional learning objectives for talks #102 and #103 within this session are being finalized by faculty and will be posted prior to the session.]

3:30 pm – 5:30 pm Session #100B: Bridging Pharmacy Education and Practice Innovation through Collaboration (Part 2). Universal Activity Number: 0691-0000-26-201-L04-P (0.20 CEUs) Application-Based Activity.

Venue: Aurora I / II

- Identify the key structural drivers of the education–practice gap in pharmacy and articulate their consequences for graduate readiness, patient outcomes, and health-system performance.
- Evaluate collaboration frameworks — academia–industry partnerships, interprofessional education, and digital health curriculum integration — and their potential to strengthen pharmacy education and workforce development.
- Describe the emerging competencies — clinical decision-making, AI and data literacy, regulatory science, and innovation thinking — required of the next-generation pharmacist.

FRIDAY, SEPTEMBER 18, 2026

9:30 am – 12:00 pm Session #200: Globalizing Innovations in Healthcare: Bridging Science, Access, and Impact. Universal Activity Number: 0691-0000-26-202-L04-P (0.25 CEUs) Application-Based Activity.

Venue: Aurora I / II

[Learning objectives for this session are being finalized by faculty and will be posted prior to the session.]

3:00 pm – 5:30 pm Session #300: Drug Development and Manufacturing for Access: Innovations That Reduce Cost, Complexity, and Risk. Universal Activity Number: 0691-0000-26-203-L04-P (0.25 CEUs) Application-Based Activity.

Venue: Aurora I / II

[Learning objectives for this session are being finalized by faculty and will be posted prior to the session.]

SATURDAY, SEPTEMBER 19, 2026

10:00 am – 11:00 am Session #400: Pharmacy Business - Innovations: Models, Policy, and Technology for Access and Impact. Universal Activity Number: 0691-0000-26-204-L04-P (0.10 CEUs) Application-Based Activity.

Venue: Aurora Ballroom

[Learning objectives for this session are being finalized by faculty and will be posted prior to the session.]

10:00 am – 11:00 am Session #500: YP Session - Building a Borderless Career in Pharmacy and Pharmaceutical Sciences: Skills Young Professionals Need for the Future. Universal Activity Number: 0691-0000-26-205-L04-P (0.10 CEUs) Application-Based Activity.

Venue: Conference Room IV

[Learning objectives for this session are being finalized by faculty and will be posted prior to the session.]

11:00 am – 11:40 am Session #600: Keynote Presentation: From Fetal Surgery to Fetal Therapy: Globalizing Innovation Through Science, Access, and Impact. Universal Activity Number: 0691-0000-26-206-L04-P (0.10 CEUs) Application-Based Activity.

Venue: Aurora Ballroom

Oluyinka Olutoye, MD, PhD — Keynote Speaker

- Describe the evolution of fetal therapy from pioneering fetal surgery to contemporary medical, pharmacologic, and genetic interventions.
- Review emerging transmaternal therapeutic strategies — pharmacologic, biologic, and gene-based — that offer less invasive approaches to treating fetal conditions.
- Identify opportunities and challenges for implementing accessible fetal therapies in low- and middle-income countries, particularly Nigeria and sub-Saharan Africa.
- Explore the role of multidisciplinary collaboration, pharmaceutical innovation, and implementation science in expanding equitable access to fetal therapies worldwide.

2:00 pm – 4:00 pm Session #700: Pharmacy Practice - Transforming Health-System Pharmacy Practice: Access, and Impact in Specialized Patient Care. Universal Activity Number: 0691-0000-26-207-L04-P (0.20 CEUs) Application-Based Activity.

Venue: Conference Room IV

- Describe emerging health-system pharmacy practice models and how they impact frontline pharmacist roles.
- Evaluate the role of technology, data, and coordinated medication-use systems in supporting safe and efficient pharmacy practice.
- Identify opportunities for frontline pharmacists to contribute to value-based care, health equity, and system performance.
- Apply practical strategies to support implementation of innovative pharmacy practice models within health systems.

[Additional learning objectives for talks #701 and #703 within this session are being finalized by faculty and will be posted prior to the session.]

SUNDAY, SEPTEMBER 20, 2026

8:00 am – 10:05 am Session #800A: Developments in Clinical Therapeutics I. Universal Activity Number: 0691-0000-26-208-L01-P (0.20 CEUs) Application-Based Activity.

Venue: Aurora I / II

[Learning objectives for talks #801, #802, and #803 within this session are being finalized by faculty and will be posted prior to the session.]

10:15 am – 12:00 pm Session #800B: Developments in Clinical Therapeutics II. Universal Activity Number: 0691-0000-26-209-L01-P (0.20 CEUs) Application-Based Activity.

Venue: Aurora I / II

[Learning objectives for talk #804 within this session are being finalized by faculty and will be posted prior to the session.]

Objectives below correspond to #805: Bispecific Antibody Therapy for Blood Cancers, Charlotte Wagner, PharmD, BCOP.

- Describe the mechanism of action and clinical applications of bispecific antibodies (BsAbs) in hematologic malignancies.
- Evaluate the efficacy and safety profiles of currently available BsAb agents, including key adverse-event management strategies.
- Discuss challenges and opportunities in expanding global access to BsAbs, with a focus on the role of pharmacists in implementation and patient care.

23. **Monica Hemben Eimunjeze, PharmD, FPSN, FNAPharm**, *CEO, DeeDoo Bio Plus Pharmacare Limited (location not yet confirmed)*. [Session assignment TBD — listed on Faculty & Speakers page but not yet slotted on the schedule.]

FACULTY: MODERATORS AND PANELISTS

1. **Kunle Tometi, PharmD, FNAPPSA**, *President, Nigerian Association of Pharmacists and Pharmaceutical Scientists in the Americas (NAPPSA) Inc., USA* — Welcome Address (Thursday) & Opening Ceremony (Friday).
2. [Moderator TBD] — Moderator, Session #100A Moderated Discussion (Thursday).
3. **Professor Cyril Usifoh**, *Department of Pharmaceutical Chemistry, University of Benin, Benin City, Nigeria (PSN)* — Panelist, Session #100B Panel Discussion.

4. **Pharm. Ibrahim Babashehu Ahmed**, *Registrar, Pharmacy Council of Nigeria (PCN)* — Panelist, Session #100B Panel Discussion.
5. **Emilia Iwu, PhD, RN, APNC, FWACN, FAAN**, *Assistant Dean, Center for Global Health, School of Nursing (NANNNNA)* — Panelist, Session #100B Panel Discussion.
6. [Speaker 4 TBD, Affiliation, City and Country (ANPA)] — Panelist, Session #100B Panel Discussion.
7. [Moderator TBD] — Moderator, Session #100B Panel Discussion.
8. [Moderators TBD] — Moderators, Session #200 Moderated Discussion (Friday).
9. [Moderators TBD] — Moderators, Session #300 Moderated Discussion (Friday).
10. **Chineyere Onyebuchi, PhD, PMP**, *Global Program Head, Takeda Pharmaceuticals* — Panelist, Session #500.
11. **Toluleke Famuyiwa, PhD**, *Postdoctoral Research and Clinical Fellow, National Institutes of Health, Bethesda, MD, USA* — Panelist, Session #500.
12. **Nedra Chijioke, PharmD, RPh**, *Medical Science Liaison, Takeda Pharmaceuticals* — Panelist, Session #500.
13. **Precious Okeke, PharmD, RPh, MSc**, *Assistant Professor of Pharmaceutical Sciences, Texas A&M College of Pharmacy, College Station, TX, USA* — Panelist, Session #500.
14. **Juliet Obi, PhD**, *Advisor, Biophysical Chemistry, Eli Lilly and Company* — Moderator, Session #500.
15. [Moderator TBD] — Moderator, Panel Discussion with Keynote Speaker, Session #600 (Saturday).
16. [Moderators TBD] — Moderators, Session #700 Moderated Discussion (Saturday).
17. **Patrick Nwakama, PharmD, BCPS**, *Senior Pharmacologist, U.S. Food and Drug Administration, Silver Spring, MD, USA* — Moderator, Session #800A (Sunday).
18. **Nonye Nwaneri-Iwuchukwu, PharmD, BCOP**, *Oncology Pharmacist, [Affiliation TBD], Houston, TX, USA* — Moderator, Session #800B (Sunday).
